To,

BIEGLO GmbH

Bahrenfelder StraBe 242, 22765

Hamburg, Germany

Sub: REACH Regulation – Substances of Very High Concern (SVHC)

Dear Sir,

This letter is as per your request regarding SVHC under REACH regulation of our products. We declare that the 253 SVHC chemical substances updated on Feb 2026 are not used in the manufacture or in the compounding of the below mentioned products.
GIMIDE7200G-BL, and Monomer used during manufacturing.

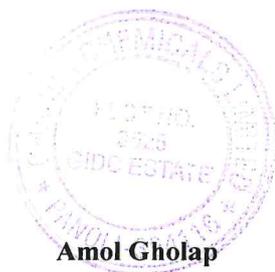

Gharda Chemicals Ltd Panoli does not regularly analyse products for the absences of any of the substances mentioned in the regulation above. However, we do not expect any of the substance to be present in our products exceeding the limits defined in any of the regulation above. This assessment is based on information provided by our suppliers and the internal evaluation of our production processes. Here is a link to ECHA website, where SVHC substances are published:

http://echa.europa.eu/chem_data/authorisation_process/candidate_list_table_en.asp

Note: "This certificate is applicable to our current manufactured product".

Yours Sincerely,

For **GHARDA CHEMICALS LIMITED**
